Mastering augmentation mastopexy. Patient selection, markings and the art of tailor tacking

Dear GCA Academy™ Members,

We are pleased to invite you to an enlightening academic webinar led by Ms. Nabila Nasir, a renowned oncoplastic surgeon from UK.

This session will deep dive into patient selection, markings and the art of tailor tacking when performing an augmentation mastopexy.

In this webinar, Ms. Nasir will share her experience and valuable insights on the art of tailor tacking, the best way to perform markings and she will unveil tips for an accurate patient selection, to maximize final outcomes and results in augmentation mastopexies.

Don't miss this opportunity to deepen your knowledge on mastering augmentation mastopexy, including patient selection, precision markings, and tailor tacking, essential steps to achieve optimal aesthetic outcomes and improve your patients' satisfaction.

Secure your spot now to benefit from Ms. Nasir's unparalleled expertise.

Ms. Nabila Nasir

Oncoplastic surgeon

Ms. Nabila Nasir is an experienced Consultant Oncoplastic Breast surgeon at Manchester Foundation Trust, UK. She was appointed as an NHS consultant in 2011 after completing higher surgical training in London.
